As Life Moves

"And Jesus came up and spoke to them, saying, "All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo, I am with you always, even to the end of the age."

Matthew 28:18-20

Many of us are familiar with the Great Commission and Jesus' command to "...Go, therefore and make disciples..." If we are not careful, we can miss the small part at the end of the passage, but it was key for the disciples and us. The disciples were going to be moving forward into a new season of their lives and God's plan for them. Jesus was ascending to the Father's Right Hand, and He wanted them to know and remember something.

Jesus would be with them always, even to the very end of the age. This would be key for them as they moved forward in life and ministry. All of them would need to rely on Jesus' presence in their hearts and lives to direct their steps, care for them amid a

variety of circumstances and make their lives fruitful as they depended upon Him and the Holy Spirit.

As you move into the month of August, remember the same is true of your life. Jesus is with you always. He has sent the Holy Spirit to be in our hearts, to work in and through all of us to accomplish His will of making us disciples who make disciples. He has also given us His Word. The Holy Spirit uses the Word of God to change us, shape and mold our lives, like clay in the potter's hand, and to direct our steps. You are not alone as life moves on from summer into the fall, and the rhythm of life changes. No, Jesus is with you always. Rely on Him, rest in Him and obey Him. He will lead you each step of the way.

Blessings!

there _____ ness _____, ...
(yes) (light) (none)

But _____ we _____ the _____,
(run) (dark)

_____ the _____,
(she) (dark)

we have fellowship _____ one another. ...

1 John 1:5-7, NIV

Answer: God is light; in him there is no darkness at all. ... But if we walk in the light, as he is in the light, we have fellowship with one another. (1 John 1:5-7, NIV)

New Bulb? No Problem!

Recently, our projector bulb was on the verge of burning out, and the rush was on to get it replaced before VBS started up. We rely on the projector daily during VBS for our pledges and music program. Luckily, a fine group of our church family met up and reached daring heights to replace one tiny bulb. Many hands make labor light and safety a priority. Thanks to Mark Temple, Dale Shultz, Tim Heiple, Charlie Mitchell, Tom Skelton, Dave & Linda Henry and Mindy Singo for getting the job done.

Top Left: The crew takes apart the projector to replace the bulb.

Top Right: Luckily, Mark Temple isn't afraid of heights. The rest of the crew ensures his safety.

"Trust in the Lord with all your heart..." Proverbs 3:5-6

Sometimes we resist the light of Christ. But when his light touches us, we can then share it with others. Play this fun game on a summer night to remember how Christ's light shines in the world.

What you need:

- Friends
- Safe open space outdoors
- A flashlight for each player

How to play:

1. Choose one person to be the Tagger, known as the Light. Only that person can have his or her flashlight on.
2. The Light tries to shine his or her flashlight on other players, who run around and try to hide in the darkness.
3. Once players have been touched by the Light, they turn on their flashlights and join in, trying to shine on others.
4. Play until everyone has been tagged by the Light. Repeat, giving everyone a turn to be the Light.

Children's & Youth SUNDAY SCHOOL CLASSROOM TRANSITION

As we prepare for the new school year, it's time for our children and youth to move up to their new Sunday School classes!

PROMOTION SUNDAY:
AUGUST 30

We are excited to welcome each child and youth into the grade level that matches the school year they will be entering this fall.

Please see a Sunday school teacher if you are unsure of what class to attend.

BIBLE QUIZ -

Numbers 22 contains a little-known account of Balak, king of Moab, and Balaam, a practitioner of divination. Feeling threatened by the Israelites' presence near his land, Balak summons Balaam to come and curse them. What strange event does God use to get Balaam's attention so that he blesses, rather than curses, Israel?

- A. Balak's men turn into pillars of salt.
- B. The sun stands still in the sky.
- C. Balaam's donkey speaks to him.
- D. An angel makes Balaam mute.

Answer: C (See Numbers 22:22-35, especially 28 and 30.)

Thank you so much for your donation. We have been busy in June loving and serving around the country simultaneously in three arms of the ministry. We served at two safe house projects in Naples, FL and Memphis, TN. We deployed to Kansas and Indiana with

our Mass Feeding ministry and our Rapid Response & Heavy Equipment arm. We also began serving at the end of June in Louisiana after the devastating flooding. Thank you for your partnership and prayers as we continue to serve those in need.

God Bless You,
Your EDOH (Eight Days of Hope) family

Thank you so very much for your prayers and the cheery set of balloons. Your kindness is appreciated, and they gave us something to take our mind off the unknown.

God Bless,
Mike, Greta, Braden & Carter Durst

(Please see entire thank you and update on Braden's recovery on the bulletin board)

Wesley Chapel,

Thank you for your generous donation to the Somerset County Mobile Food Bank. This donation blesses so many families in our county with the gift of food as they face food insecurity in these tough times.

Thank you,
Susan Barclay, SCMBF

Dear Saints of Wesley Chapel,

Thank you so much for the gift basket during my hospital stay. The green beans were a nice touch. I appreciate your thoughts, your love and especially your prayers.

You folks are a great example of what a church should be. Each one of you hold a special place in my heart. May the Lord bless all of you. God loves each of you and so do I!

Untapped Resources

While taking photos of the earth, the space shuttle Columbia made a surprising discovery: Underneath the harsh Sahara Desert were 26 lakes, as well as miles of underground rivers. That region's inhabitants face tough conditions because those abundant resources haven't yet been tapped.

Churches often suffer a similar problem. Congregations can't reach their full God-given potential unless people discover and use their gifts. When we tap into our talents, God promises that we "will be like a well-watered garden, like a spring whose waters never fail" (Isaiah 58:11, NIV).

Seth Kimmel, son of Irv & Lisa Kimmel, recently received a scholarship through Somerset Rural Electric Cooperative.

Seth's future plans are to attend Juniata College to earn a Bachelor's Degree in Criminal Justice or Environmental Science, with the goal of becoming a warden for the Pennsylvania Fish & Boat Commission or Pennsylvania Game Commission.

Great job Seth! Your Wesley Chapel family is proud of you.

Allegheny West Conference of the Global Methodist Conference Annual Conference 2026

During the month of June, Amy and I traveled to Ohio to attend the Global Methodist Allegheny West Conference Annual Conference on behalf of Wesley Chapel. The week was filled with meaningful worship, challenging messages and discussions of the Conference and its current and future direction. It was a good week of celebration, reflection, prayer and worship. We were encouraged to “Go and make disciples...” and plant churches. The present and future look promising.

Rev. Dr. Jeff Greenway was lifted up in prayer and celebration, as he will be retiring sometime this year. His leadership has been so very meaningful to who we are as a Conference. It cannot be overstated. Let me take a moment to thank the LORD for his leadership. He will be missed to be sure! We will look forward to seeing what God does in and through both the Allegheny West Conference and the life of Rev. Dr. Jeff Greenway in the future with great anticipation!

Blessings!
Pastor Tim and Amy

To our Wesley Chapel Family,

Thank you for sending flowers to celebrate the birth of Beckett. Thank you for all the prayers and support. He is growing every day. We can't wait for you all to meet him.

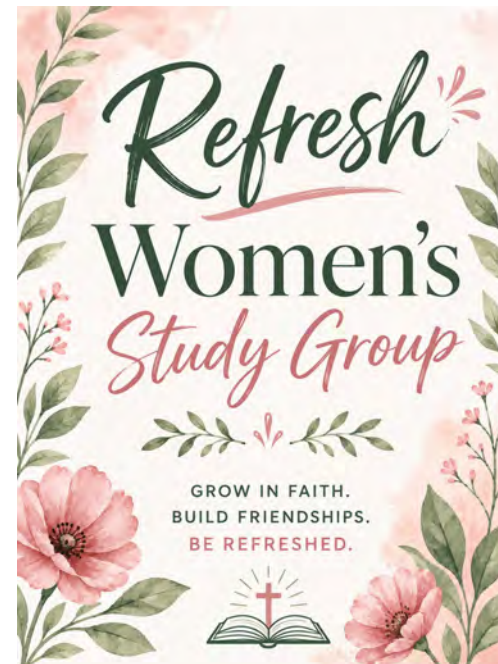

Love, Sam, Emily & Beckett Wiatrak

Thank you for the graduation gifts. I look forward to walking my journey with Christ with all of you.

Thanks, Glenn Millin

Thank you so much for supporting our week at camp. We really enjoyed meeting people who shared the same love with Jesus.

Thank you,
Natalie & Hannah Latuch

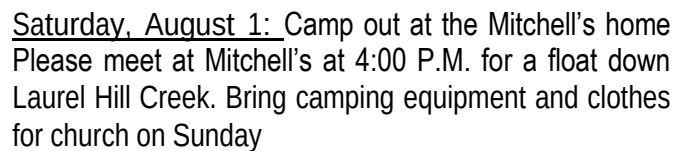

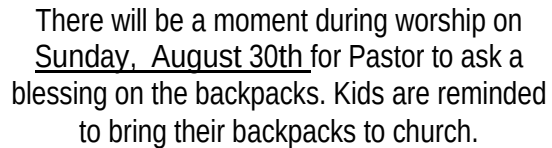

Just a reminder to all ladies...Refresh will not meet in August, but join us for an exciting Bible study by Elizabeth George on the book of Esther beginning Friday, September 11th at 6 p.m. and continuing the second Friday of each month at the same time. As always, dinner will be provided. If you are interested in joining us, please sign up on the bulletin board by August 9th, to allow time to order and hand out books. Hope to see you there!

Faith In Action - Honoring Those Who Came Before Us

On Sunday, July 12, the Wesley Chapel youth gathered at the cemetery, with Ryan and Michele Sechler graciously allowing us to visit. We spotted some headstones that needed a good cleaning, so we got to work using water with brushes and scrapers to remove the lichen. Ryan then helped us apply a special solution, which he mentioned was used by the caretakers at Arlington Cemetery.

While we waited for the solution to work on the headstones, Martha Mitchell shared a short devotion based on Proverbs 10:7 and Hebrews 12:1 -2. We also reminisced about those who came before us and what we hope our legacies may be.

When we checked back on the headstones, we could see the solution had made a real difference! Ryan explained that the solution will keep working for a few years, especially after it rains. Please see some of the before and after photos below.

Welcome little blessings

Samantha & Andy Singo welcomed daughter, Parker Grace on June 28th. She was born in Pittsburgh, weighed 6lbs 8oz and was 20 inches long.

Proud grandparents are Jamie & Mindy Singo and Jeff & Tina Shaffer. Great-grandparents are Bobby & Brenda Singo and Nancy Shaffer.

Erin & Michael Heiple welcomed their daughter Ellie Paige on July 3rd. She joins brothers Easton, Sawyer and Rhett.

Joyful grandparents are Tim & Jill Heiple and Mark & Diane Myers.

having the kids run relay races with plastic eggs on spoons to a flowerpot several feet away. They played a favorite game of "The Floor is Lava and Fertile ground." Tuesday was a rainy evening, but thanks to Pam Weimer, it was a bouncing good time. Pam provided a bounce house with slides for the kids and some of the adults to have a great time. Thank you activities crew, the kids had a wonderful time with you.

We obviously cannot overlook the heart of the "home" or church - THE KITCHEN, better known as the "Wheat Field Café." Mary Ellen, Barb, Jill, Jenny, Cindy, Pam (hope I didn't forget anyone) cranked out hot dogs, walking tacos, french toast sticks with real maple syrup, pizza, watermelon, apple slices with peanut butter or caramel dip, berries, dirt cups, chips, cheese curls, cupcakes and freezer pops. Everything was very good, but it could have been better with some mac-n-cheese. (By the way, how does the VBS director get out-voted by the kids on mac-n-cheese?) Oh well, maybe next year!

Our mission projects this year were collecting pocket change for Pastor Francis Mpinganjir, a missionary in Malawi, Africa that runs an orphanage, a school and ministers to surrounding communities teaching the word of God. For the week the children collected a grand total of \$492. How awesome is that? The second missions project was collecting school supplies to help other kids in Somerset County to get a great start to the new school year. This project was sponsored by the Salvation Army. The kids again were amazing with donations. They filled a large laundry hamper with pens, pencils, crayons, glue sticks, notebooks, scissors, etc. Thank you kids for helping your friends and neighbors across the county to have a great school year.

Our last stops on this VBS tour of the farm is the staff that counted all the money at the end of each evening, "The Accountants." They counted all the coins and rolled it and also any paper money (checking it for Monopoly bills). Thank you to Todd, Tracy, Randy, Michele and Forrest for your patience and accuracy. Also, thanks to Charlie Mitchell for sharing his coin sorting toy with his friends. It really sped up the coin separating process. But Charlie is not only good at sharing his toys, but he also shared his talents of audio and visual knowledge. He took all the crazy photos that everyone sent to him during the week and turned them into a great video of all the fun and excitement that was shared during our VBS time together.

One last but not least, our annual hayride through the countryside. You cannot spend time on a farm without a traditional hayride. A huge THANK YOU to Mark Sechler for allowing us to use the hay wagon with hay, and to my husband, Mark, for letting him show-off his toy tractor, which matched perfectly with the hay wagon.

Director's Note: Sorry, this is so long, but the Lord has filled by heart with so much joy over this week. My body is tired due to the fast-paced schedule I had this week, but only God, caffeine and the chaos kept me going. I love working with these kids and sharing the Word of God with them. We are all to share the Love and Word of God wherever we go. May God speak to your hearts to share the joy of God. I speak of it often, we need to "Make Heaven Crowded."

I will rest up until next year and see what God has in store me and you. God's Blessings to you and Grow in His grace. Please see pages 14 & 15 for photos of our week.

2026 VBS Growing with God

Here we are at the end of another VBS - I just cannot believe the week went by so quickly and smoothly. God is so good.

"Growing in God" followed the teachings of Jesus using the agricultural background of his audience to explain how to become a Christian.

Connie Pletcher started our week with God planting seeds of His love and grace in our hearts. Forrest Stark explained how God feeds us with His word to help us grow and mature into helpers for Him. As helpers, we are to share God's love and salvation to others so they too may become Christians and helpers to spread the word. Mark Millin helped us to understand how God teaches us how to bear good fruit, not bad fruit by taking care of our plants and staying connected to the main branch which is Jesus. God wants us to bear good fruits to share with others, the good fruits of the Spirit; love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. Thursday evening, Tim Latuch, aka, "Tom the Mediocre Shepherd," helped us to understand the parables of the Good Shepherd and that Jesus is that shepherd who watches over us at all times. Jesus is always with us through the good times and the bad times, He is our guardian at all times. Friday evening, Pastor Tim, wrapped up our week of "Growing in God" by speaking of God always being with us no matter time of day or the place. God is with us all the time because He created us, and He wants us to be in heaven - God does not want us to perish in the end times but be with Him. That is why Jesus died on the cross, taking our sins with Him so we can be with Jesus in heaven forever.

I want to thank our teaching staff -- they did an amazing job - I love the different teaching styles. It kept the children interested and engaged.

Our music department was TOTALLY AWESOME! Shanna Breegle and Brooklyn Monteith taught the kids super energizing songs such as, "Baa Baa, He's The Good Shepherd, The Fruit of the Spirit and Bringing in the Sheaves" to name a few. The music ladies even taught motions and dance steps to keep the energy flowing. They could not have done that without the sound team running the videos and the music. A big thank you to Ethan Stark, Linda Henry and Mindy Singo for keeping the music jammin'. The children did so good at the closing program because the music really spoke to their hearts and let them praise the Lord.

Our craft department was "manned" by lovely ladies, Angie Millin, Ashley Sechler, Lindsay Latuch and Amy Monteith. These ladies not only helped the kids make crafts, but they reiterated the Bible verses and the lessons to the them as the kids worked on their crafts. Some of the crafts were "Sprout Houses" which did sprout plants by the closing program, "Fruit of the Spirit" orchards and crosses decorated with various seeds. Thank you ladies, for all you did, I appreciated what you have done, but more importantly, God knows you are also trying to cultivate new helpers for Jesus.

Martha Mitchell, along with Harper, Rowan and Katie helped to burn off some energy by

(Continued on page 15)

A 90-10 split

When the weather prediction is for a 10 percent chance of rain, do we sigh and grumble and stay indoors? Or do we go ahead and picnic, golf or hike because the chance of bad weather is so low?

When doctors say our child has a 90 percent chance of full recovery from a deadly illness, don't we rejoice at the great prognosis? We quickly decide we can live with the slight chance of some impairment.

When a really tough exam comes back with a 90 percent grade, aren't we glad to have done well?

When a politician runs for office, 90 percent of the vote would be considered an overwhelming mandate.

Why then, when God gives us 100 percent of our material blessings, are we so horrified at the thought of giving him 10 percent back?

~Taken from WordContent, Newsletter CD, August 2014

Flint and Reed Breegle recently took on a business venture and decided to make a lemonade stand and run it up at their grandparents' driveway along Covered Bridge Road. With a handmade sign, a hand full of change and dollar bills they went to work. They ended up making \$43.00 dollars in two days and decided to donate it to the VBS mission of Pastor Francis' ministry in Africa. Keep doing the Lord's work boys. Special thanks to our neighbors and friends who supported them.
