“Come now, and let us reason together,”
Says the Lord,
“Though your sins are as scarlet,
They will be as white as snow;
Though they are red like crimson,
They will be like wool.”

Each year as the snow falls, I am always surprised and amazed anew. The dirt and mire of the earth is covered, and everything looks so fresh and clean. The trees take on a beauty that can be awe inspiring, when I take the time to look. Snow does something else. The snow and ice of winter prepare the ground with enough water to sprout and grow new life in the spring. One last thing, the snow also reminds me of how God gave Manna, bread to eat, from Heaven. Yes, God provides everything we need in each season.

In the book of Isaiah the prophet, God tells us that He provides for us spiritually and eternally as only He can. We have made a mess of things through sin. We are so covered and stained that our stains are the deep color of scarlet. Yet,

through Jesus and His shed blood on the cross for us, God provides cleansing and redemption. God says that our sins which are crimson are cleansed to the point that we are as white as snow. This February look at the snow and thank Jesus. Through His sacrifice on the cross, we are **cleansed to the point of being white in God's eyes, no spot or blemish in Christ.** We are washed clean by the water of the Word (Ephesians 5:26). We are made as white as snow. Each and every sin is forgiven. We are clean and new. Again, we are as white as snow.

One last thing, just as God provides the snow of winter to prepare the ground for spring, God provides in each season of our lives, and He uses all things for our good, to cause us to sprout and grow at the proper time. God is so good, and by His grace alone, we are made clean and new for all of eternity. (2 Corinthians 5:17-21)

NEVER-ENDING GIFT

Seven days a week, remind someone special about God's love, the gift that truly keeps on giving.

What you need:

- Large plastic pill box with a compartment for each day
- Construction paper
- Craft glue
- Black permanent marker
- Heart stickers
- Scissors
- Bible
- Pencil
- 7 small treats (fish-shaped crackers, small candies, trail mix, etc.)

What you do:

1. Glue paper onto the container. Write "God's Love" in permanent marker. Decorate with heart stickers.
2. Cut seven slips of paper. On each slip, write out one Bible verse about God's love. (Examples include Psalm 63:3; Psalm 100:5; John 3:16; John 15:12; Romans 5:8; 1 John 4:9.)
3. Fill each compartment with a different treat. Then place a folded slip atop each treat.
4. Give away the present. Tell the recipient to open the correct day for a week – and then refill the treats and verses and "regift" God's love to someone else.

Brethren,

The Year 2025 was that year we saw the Lord doing great things among us. What we witnessed could not take place without your ACTIVE PRAYER SUPPORT. With the entire team here and on behalf of those we touch, we want to thank you so very much. Have such a blessed 2026.

~Greetings, Pastor Francis & Faida

Love gauge

In a ship's engine room, it's impossible to look into the great boiler and see how much water remains. But running up beside it is a tiny glass tube that serves as a gauge. As the water stands in the little tube, so it stands in the great boiler. When the tube is half full, the boiler is half full; when the tube is empty, the boiler is empty.

Do you ask, "How do I know I love God? I believe I love him, but I want to know." Look at the gauge: Your love for other people is the measure of your love for God.

Unwrap the Gift

At church one Sunday, I noticed a woman carrying a Bible neatly wrapped in colorful ribbon, like a package. My first thought was that she must be giving it to someone as a present.

Throughout the next few weeks, however, I realized it was the woman's own well-used Bible. Whenever a worship service or Bible study ended, she carefully rewrapped the Scriptures with that shimmery strand.

What a great reminder that God's Word is a precious, practical gift
meant to be opened and reopened regularly.

~ Stephanie Martin

An early start to spring cleaning

Although Lent starts early this year, before spring appears in many areas, it's an appropriate time for spring cleaning. Indeed, Lent comes from old German and English words for "spring." So, while it might be too soon to open windows or hang clothes on the line, now is the ideal time for some spiritual spring cleaning.

Lent calls us to examine our beliefs, confess and dispose of old grudges and selfish habits, dust off our Bibles for a new routine of study and prayer, air out our hearts and brighten up our attitudes. "Lent cleaning" lets the Holy Spirit freshen our faith — and it's never too early for that.

Compassionate News from the Compassionate Mission Center, Malawi, C. Africa

End of year (2025) Newsletter (summarized)

By His Grace we finished stronger in 2025. Three thousand, six hundred and fifteen people were brought to the Lord in December alone. January through November we had 18 crusades with 2,906 people accepting Jesus, and planted 12 churches. One evening, a drunken man came disturbing a crusade, snatching microphones as we preached. This stopped people from responding to a call to Jesus. He is now a brother in the Lord. After that violent night, we **hired a motorcycle the following day for him to tell of Jesus' love.**

At the Eleventh Hour Pastors & Leaders Institute, the harvest is so ripe but the laborers are few. We must train and empower workers in ministry. We have to provide training and resources for local leaders and churches for the Great Commission. Our December conference in Balaka was number 8 in 2025. We trained 1,200 leaders in 2025. During these meetings, meals are provided to the participants.

The Orphanage has been freshly renovated and houses up to 100 people. Our children are now able to move around with ease and fresh air. Those in transit to hospitals, etc. through our center are well cared for. Meantime, we have 72 orphans. Some are in nursery, primary or secondary schools, and college. Others are doing life-skill programs such as tailoring, design, welding, carpentry, tinsmithing, motor vehicle mechanics, ICT (Information & Communication Technology), etc. Some of our 5 year orphans pictured to the right keep us running!

Partnering with Let There Be Light International has helped 300 families, with an average of 7 people per family, receiving solar lights in 2025. With the population of **22,064,883 people, Malawi's electrification rate stands at** around 10%, which translates to approximately 2.2 million people with access to electricity. About 19.8 million people, 90% of the population lack access to electricity. With Let **There Be Light International's continued partnering with us**, we will see a lot more families benefiting. Pictured left: A young boy holds a solar light to take home to his family.

***A special Thank You from
Somerset Area Ministries Inc. Sam Van***

Dear Wesley Chapel Members:

On behalf of Somerset Area Ministries Inc. and the people who ride the Sam Vans, I would like to thank you for your generous gift of **\$3,046.00 in support of our ministry. As I'm sure you are aware, we** transport people to medical appointments or to visit hospitalized loved ones outside of Somerset. Most of our riders go to Pittsburgh and are **senior members who don't like driving to the big city or driving in it. We** also transport people to Johnstown, Altoona, Greensburg, Latrobe and Mount Pleasant. In December we provided rides for 17 people in 15 trips to Pittsburgh and 8 rides in 8 trips for people to the more local communities. The total for the year is 279 people to Pittsburgh in 177 trips and 145 people in 129 trips to other locations.

Your continued support has enabled us to purchase safer and more economical vans for our drivers and riders. Speaking of drivers, if anyone in your organization would like to consider driving for our ministry, I would be glad to talk with them without any obligation to drive. We have women **drivers, and they don't have to drive to Pittsburgh. They can call me at 814-445-2698.**

Thanks again for your generous gift that keeps our ministry going. Thank you for your annual gift that gets us started for the new year.

In His Service,
Charles F. Olsen, Sam Van Treasurer

One night I could not sleep. I needed food for the children within 5 hours. I jumped out of bed and went to the sitting room. "Lord," I stuttered, "I am not happy with the way You are running things. Why should I fail to sleep because there is no food for the children? If this is the way we have to go, please find someone else. Release me." I remained quiet, hoping He would talk to me. Dead silence. Before 6 a.m., there was a message in my phone, "Use the money I have sent you as you see the need...Felt like you needed it." That was it! There has been food for the children and the communities ever since.

The Compassionate Mission Center has been renovated. Our Center had reached the point of decay. Everything was breaking down, collapsing; rooms, bedding, blankets, toilets, bathrooms... EVERYTHING. We are so thankful for the renovations shown to the right.

People living with disabilities in Malawi face significant challenges that affect their daily lives, dignity and opportunities—especially those coming from extremely poor backgrounds. Some of the challenges are: limited access to education, employment barriers, health care challenges, social stigma and discrimination, physical accessibility, and lack of support services. With your thoughts, prayers and financial support, CMC stepped in to alleviate all of these. Assessing 510 people living with disabilities through our crusades and mobile clinics, we have sent 190 children to major hospitals for medical help, donated 8 wheel chairs, crutches, etc....

Malawi's water crisis is a pressing issue affecting millions of people. Seven million Malawians lack access to basic drinking water. Over 4 million people rely on contaminated water sources, increasing the risk of waterborne diseases. Twenty percent of the population lack access to improved water sources, forcing them to use unprotected wells, puddles or gullies. Diarrhea, cholera, dysentery and other diseases are prevalent due to contaminated water. Last year, we managed to rehabilitate 5 bore holes, leaving us panting for more to be done.

This Christmas and New Year's were awesome. The Lord visited us in different ways, such as buying clothes from the second-hand store, a hot lunch with our children, the disabled, the elderly, and all those in the surrounding communities. A total of 150 attended this event.
